

OPT IN/OPT OUT AGREEMENT

We understand that every family has unique needs and expectations when it comes to childcare. At Early Days, our aim has always been to provide high-quality care and, as outlined in our Basic EYFS and Enhanced EYFS Information Sheet, we take a great deal of pride in the opportunities that we make available to children in our care.

All of these enhancements, go above and beyond the basic services that are covered by the 15 and 30 hour funding that is given by the Government. This is why, we have always been upfront in making additional charges over and above the funding, as funding means just that 'funded' and not 'free'.

In line with the latest Department for Education (DfE) guidance, many of our services (meals, consumables and activities/enhanced provision) are now deemed as non-mandatory charges. By choosing to opt in, parents understand that there are charges that will be levied against your funded day as per our current fee sheet. If you choose to opt out of these non mandatory fees, then parents must adhere to the opt out alternatives outlined below for **all** categories. You either choose to opt in to all or opt out of all.

Please note that under the Activities/Enhanced Provision category if not enough parents opt in, many of the enhanced programme elements will either be substantially reduced to a basic provision level or removed from our programme altogether. As a setting, we will simply not have enough income from the amount of Government funding we receive per hour per child to be able to offer these in our curriculum and remain financially solvent.

We do require you to complete the following and to advise us whether you will be opting in or opting out.

*** Parental Liability for Foods Brought in by Home**

Please note that Early Days Nursery Ltd accepts **no responsibility** for accidents or incidents to children caused by foods sent by parents/carers. We will, of course, carry out our statutory duty with regards to administering immediate first aid in incidents where choking occurs. Parents and carers should be aware that the nursery's liability insurance **does not** extend to food items brought in from home. Accordingly, parents accept **full responsibility** for any issues that may arise in connection with such food, particularly where these relate to allergic reactions or the presence of allergens that may endanger the health of other children. Please note we do currently have children at our setting that have *extreme* life-threatening allergies.

**** Consumables – Nappies (For children in Nappies/Toilet Training)**

We have two levels of nappy costs: For babies and toddlers still in nappies and a transitioning charge for those that are toilet training, as we know those little accidents can still happen.
