To access the Parent Zone, you will need to enter the password: WorkingTogether.

Happy Birthday

Celebrating their Birthday
this half term is

Sidonie

Enjoy your special day!

CLASSROOM NEWS-CUBS

Hello Everyone!

We are very excited about the upcoming second half of the spring term. There have been a few changes, as most of you will be aware, to staff within the Cubs team. Julie will now be managing the Cubs Team, which consists of Tracey, Denise, Harriet, Jo, Seb and, our other new member, Gracie. Gracie is studying for her apprenticeship and is already a confident well-liked member of staff within Early Days.

If you have any needs or concerns regarding staff changes or changes to your child's routine please chat with your child's key person, Julie, or you can email Gina through the nursery email: admin@earlydays-nursery.co.uk. We will continue to use Tapestry for daily information about your child's day and any other important information we feel you need to know.

This month's theme will be farms. Alongside our usual variety of books which will reflect the theme, our feelings and general stories, the book we will mainly focus on using story sacks, props and resources will be 'Oh Dear!' (No eggs here) written by Rod Campbell. April's theme will become 'Spring/New Life and the focus book will be 'The Very Hungry Caterpillar' written by Eric Carle

Easter fun is also approaching fast and will be looked at in the week leading up to the Easter break.

The weather is still very changeable, we hope nobody has been too badly affected by the recent storms that have battered the country. Please ensure your children all have a change of clothes in nursery as well as appropriate clothing for the weather.

We will continue to go for walks with half the group at a time at least 2-3 times a week with each group. We will be looking for signs of spring, counting birds, tractors, sheep and anything we see, alongside lots of conversations about our wonderful surroundings to enrich the children's language.

Our new system of water bottles has been working well. Your children have access to their bottle of water throughout the day with their own personal label on. The label also has their animal picture which corresponds with their coat peg and drawer.

If you have any other queries, please feel free to ask any member of staff, or email Gina (Nursery Manager) on the above email.

JULIE

JO, DENISE, TRACEY, HARRIET, SEB AND GRACIE
