

CLASSROOM newsletter

June
2022

Important Dates

- Summer Term Ends - Friday 22nd July
- Sports Day/Picnic - Wednesday 20th July
- Summer Holiday Club - 25th July-3rd Sept
- Autumn Term Begins - Monday 6th Sept

f Facebook Page

Did you know that Early Days has a Facebook Page? We try to update this weekly to share the activities and fun that we have had at nursery. Please start following our page, if you are not already.

HAPPY Birthday

Sending birthday wishes to all those celebrating a birthday this half term:

Finn, Ted, Axel, Dylan and Toby

We would also like to wish an early birthday to all our Bears celebrating their birthday during the summer holidays:

**Georgie, Clementine,
and Morgan**

CLASSROOM NEWS - BEARS

Welcome back! I hope those of you who went away had lovely restful breaks. As ever, we would love to hear about what you've been up to: please do let us know via Tapestry or email!

Our focus for this month will be Animals, and our Core Books 'Hairy Maclary' and 'Walking Through the Jungle'. These are really fun stories with repetition and rhyme throughout, and also invite the children to share their own experiences of dogs and other pets, prompting group discussions for us to learn to listen to one another.

Our role play area has been transformed into a jungle, with lots of cosy corners filled with themed books and toys to support our imaginative play. This will become a veterinary surgery for the second half of the month, where we will also use our lightbox to explore animal x-rays. We will make some animal-themed crafts and further develop our language through small world plays- such as taking our toy zebras to a watering hole or making a forest for our deer.

We will continue to mark National Smile Month by taking part in lots of activities designed to encourage us to keep our teeth healthy: we will be reading Smile, Crocodile, Smile and making some giant foamy toothpaste to go with a giant toothbrush. We will be sharing stories about visiting the dentist and will continue to practice brushing using our giant teeth! During Healthy Eating Week (13th - 17th June) we will explore our Healthy Eating bag (filled with prompts to support discussions around what is good for our bodies), explore the seeds in different foods and enjoy cooking some healthy recipes.

On 20th July we will be having our Sports Day. This will begin at 12.00 pm with races, followed by a school leaver's presentation/mini graduation at 12.30 pm. At 1.00 pm children will join their parents for a picnic. More details of this event will be sent out closer to the day.

Also another reminder if you have any of our spare clothes, we would appreciate if these could be returned promptly as we are missing all our spare socks and trousers! Many thanks!

BECKS
