

SESSIONS OFFERED

We offer three session start times to suit your needs. Drop offs can occur anytime within the session drop off time band but you are charged for the full session rate (i.e. if you want to drop off at 8.30 am, you would be charged the rate of the Early Morning Drop Off Session, even though you did not start at 8.00 am). Our pick up times are calculated up to the closest ending hour: a 3.30 pm pick up would be billed as a pick up time up to 4.00 pm, a 4.15 pm pick up would be billed as a pick up time to 5.00 pm, etc.

Afternoon sessions are only offered in our Hedgehog Classroom.

All fees detailed in the table below include nappies, wipes and other consumables and are an inclusive price for all services with the exception of those charges detailed in the "Additional Charges" section below. All children arriving before 8:00 am will receive a breakfast which is included in the session price.

FUNDED SESSIONS FOR 3 AND 4 YEAR OLDS

- All sessions detailed above can be booked and used as part of your 15 or 30 hour funding entitlement across the 38 weeks of funding provided per academic year.
- Early Days asks that funded children pay an additional services/consumables fee per hour of funding at a rate of £3.00 per funded hour.
- Additional hours booked over and above your funded hours are charged at our non-funded rate of £7.20 per hour.
- Additional charges for Hot Lunch - £2.75, Cold Tea (if attending after 4:30 pm) - £1.50 and Breakfast (if attending before 8:00 am) - £1.00 will also apply.
- Early Days will also charge both late pick up fees and late payment fees as detailed above on funded sessions, as and when applicable.

To calculate the weekly costs for a funded 3 or 4 year old, calculate the number of hours of childcare that you would like per week (please refer to the total hours per session detailed in the fee table for the full session time, i.e. if you are attending 8.30 am until 3.30 pm, you must use the full session time of 8 hours). If the total number of hours attending per week equates to 20 hours and you are receiving 15 hours of free entitlement, your first 15 hours are only billed with the additional services fee of £3.00 per hour (15 x £3.00) plus 5 hours at our non funded rate (5 x £7.20) plus the cost of any meals.

For more detailed information about funding, including eligibility criteria and information on funding for disadvantaged 2 Year Olds, please refer to the funding information provided as part of your Welcome Pack or ask us to email you our 3 and 4 year old funding introduction sheet.
