Parent Zone

Don't forget that a lot of useful information and forms are available to all parents through the Parent Zone section of the Early Days website.
To access the Parent Zone, you will need to enter the password: WorkingTogether.

Let's welcome...

Max and Albie

It's great to have you join us in Hedgehogs!

HAPPY Birthday

Celebrating their Birthday this half term are:

- Isabella, Ollie, Max,
- Jessica, Erin, Flynn

Enjoy your special day!

CLASSROOM NEWS....

Hi Everyone!

Our theme in March will be farms. We will be exploring mud, grass and adding water in to make a farm yard with the animals, alongside sensory play adding in oats, lentils and seeds. We will be going on lots of woodland walks looking for animals (sheep and horses) as well as feeding the birds.

This month's core songs will be 'Old MacDonald' and 'Baa Baa Black Sheep'. During group time, we will enjoy the song bag and use the animal puppets, talking about what each animals is and what noise they make.

In April, our theme will be Spring. We will enjoy going for picnics on our walks whilst looking at the different scenery and looking at what we can see, such as the different coloured plants and flowers. We will also be doing some gardening and growing our own plants and flowers. In the lead up to Easter, we will also be doing lots of easter crafts and cooking activities. Our core songs will be 'Peter Rabbit' and 'Five Little Ducks'.

We will also be working with our own individual children on doing focus activities to further each child's development. We have now planned for the older children in Hedgehogs to be based more in the chalet so that their learning can be stretched to help with the transition to Cubs, experiencing activities that suit their needs and age development more, such as walks around the village, singing and movement sessions focussed activities like puzzles and group games to develop turn taking and concentration. They will also join in with sessions in Cubs from time to time and will use their outside classroom. With the farm theme in the next few weeks, they are going to be exploring a farm shop with real vegetables, counting money and using their senses of smell, taste and touch.

As always, if you have any questions, or if there are any changes to your child's day or their needs, please don't hesitate to talk to us!
