Fire Safety Policy

EYFS: 3.55, 3.56, 3.57

At Early Day Nursery School Ltd, we take reasonable steps to ensure the safety of children, staff, and others on the nursery premises in the case of a fire or other emergency through our fire safety policy and emergency evacuation procedures.

The designated fire marshals are (Gina Chamberlain & Nicolle Purdy).

We ensure the nursery premises are compliant with fire safety regulations, including following any major changes or alterations to the premises. The designated fire marshals ensure we have all the appropriate fire detection and control equipment (e.g. fire alarms, smoke detectors, fire blankets and/or fire extinguishers) are in working order and seeks advice from the local fire safety officer as necessary.

They also have overall responsibility for the fire drill and evacuation procedures. These are carried out and recorded for each group of children every three months or as and when a large change occurs, e.g., a large intake of children or a new member of staff joins the nursery. These drills are planned to occur at different times of the day and on different days to ensure evacuations are possible under different circumstances and all children and staff participate in the rehearsals.

All staff receive fire safety and evacuation training (including as part of induction) to help them understand their roles and responsibilities. This includes the steps they must take to ensure the safety of children, for example keeping fire doors free from obstruction, how to safely evacuate the children and where the evacuation meeting point is situated. Each room has a specific evacuation plan, which includes information such as evacuating non-mobile babies and using alternative exits depending on where the fire may be situated.

The designated fire marshals check fire detection and control equipment, and fire exits in line with the timescales within the checklist below.

An accurate record of visitors is kept in the visitor's book. These records are taken out along with the register and emergency contacts list in the event of a fire.

The nursery operates a strict no smoking/vaping policy – please see this separate policy for details.
