Hazel, Daisy, Theo,  
Rowan and Teya,

Enjoy your special day!

## CLASSROOM NEWS - Hedgehogs

The children in the Hedgehogs Room have settled in really well and it's been lovely getting to know them and see how much they have grown and developed already. We can't wait to see what the rest of the year brings us!

As we enter into the start of this half term, just a reminder of a few things: With the weather at this time of year being so changeable, please make sure your child is dressed appropriately and has some warmer spare clothes in their bag so we can cater for all weathers. Please bring in wet suits, wellies and coats (with name labels) just in case we have some rain. Children need both indoor and outdoor shoes, indoor shoes can be slippers if preferred. If you haven't done so already, please can bring in some nappy cream from home that we can label for you and keep at nursery in a box.

Our theme for November will be Night/Day alongside our core songs of 'Three Little Monkeys jumping on the Bed' and 'Hickory Dickory Dock'. We will also be doing lots of Halloween crafts, such as different coloured ice play with spiders, bats and bugs in it. We will be using our sensory tray to fill and empty our pumpkins with and we will also enjoy doing lots of painting for firework night, using lots of glitter to make them sparkly.

Our theme for December is Celebrations/Christmas. We will be having lots of fun listening to Christmas music making lots of Christmas crafts/Decorations using paint, glue, drawings and, of course, lots of glitter. We will be hanging up our fairy lights, wrapping up boxes for the children to practise how to open them, playing with the tinsels and enjoying our Christmassy sensory tray using Christmas cutters to make marks in the fake snow, coloured rice, and our Christmas gloop. Our core songs will be 'Twinkle Twinkle Little Star' and 'Jingle Bells'.
