Important Dates

May Holiday Club - 30th May-1st June

Summer Term Ends - Friday 22nd July

Summer Holiday Club - 25th July-3rd Sept

Sunscreen

As the weather improves, all parents are reminded of our suncare policy which requires that all children should arrive at nursery with an 8-10 hour sunscreen applied. Children also need their own labelled sunscreen at nursery with prior written consent for staff to apply it. Full details on our Suncare Policy can be found on the Parent Zone of our website.

Communication

As always, if you have any needs or concerns regarding staff changes or changes to your child's routine, please chat with either your child's key person, Julie, or you can email Gina through the nursery email at admin@earlydays-nursery.co.uk. We will continue using Tapestry for our daily information about your child's day and any other important information we feel you need to know.

Happy Birthday

Celebrating their Birthday
in April and May are

**Marcella, Frank
and Liliana**

Enjoy your special day!

CLASSROOM NEWS-CUBS

Hello Everyone!

We hope some of our families have enjoyed a lovely long bank holiday weekend over Easter. Please feel free to share any photos through Tapestry so we can talk about it with your child, and show the other children at group time. It really helps our communication skills when the subject is something familiar to them.

We are looking forward to having lots of fun in the Summer Term with water, sand, playdough, paint and much more.

The last week of April will continue with the theme about Spring, new life, and 'The Very Hungry Caterpillar' story.

When we get into May, the theme will change to 'Transport'. This is a huge favourite as many children between the ages of 2-3 can have a big fascination with how things work, rotation of wheels, balls, and anything that goes round. If any parents have a mode of transport which they would like to bring in to share with the children that would be very welcome. We are lucky that we do see tractors around the village, horses, bikes in the playground, helicopters and aeroplanes flying over, etc. which we will be looking at.

Our themed book will be 'Dig, Dig, Digging' by Margaret Mayo and Alex Ayliffe.

Our rota for staff and children to split into half appears to have worked well last term. We will continue to do this moving forward. Tracey is mainly in the chalet with Denise or Harriet, and Julie is mainly in the classroom with Harriet, Jo or Gracie. We then only have between 7-9 in each room. The split is decided by looking at who their key person is and their budding friendships.

We meet up for lunch, sleep time and outdoor play.

We are looking forward to the better weather and having a great start to the term.

JULIE

Denise, Tracey, Jo, Harriet and Gracie
