It's great to have you join us in Hedgehogs!

## HAPPY Birthday

Celebrating their Birthday this half term are:

- Millie, Alessandro, Florence, Eirinn, Alex, Nicholas and John (whose birthday is in Jan before we return)

Enjoy your special day!

## CLASSROOM NEWS....

Welcome to the second half of the Autumn Term. Winter is on its way already, so can we please remind everyone to bring in coats, all in ones, wellies, hats and gloves. With winter coming, please be mindful that children can start to come down with coughs and colds and parents should adhere to both our Covid and Calpol protocols. Drop off and pick ups will be continuing at our outside classroom.

This is a very exciting and festive term with lots of planned activities coming our way. Starting off with Bonfire Night, we will be exploring different ways of handling paint brushes which will help our fine motor skills. We will be looking at the different colours and using lots of glitter to make firework crafts. In the second week, we will do a Minute's Silence for Remembrance Day and will be crafting our own poppies. In Week 3, we will celebrate Children in Need by making Pudsey playdough and using different resources to make marks. On 19<sup>th</sup> November, everyone is encouraged to dress up and wear something yellow and spotty.

We continue on our themes with reading and looking at the Stickman books. We will be going for walks to collect sticks to paint and make our Stickman whilst developing language skills using big or small. Our Winter week will have us putting on our all in ones and wellies and hopefully splashing in puddles that we can find and using our hands to make marks in the mud. We will be digging and collecting mud to play with in our class room.

As we enter December, we will start to get festive with lots of crafts and messy play using a variety of resources. During our final week of Christmas, we will be having a Christmas Party on 15<sup>th</sup> December. We will wrap boxes so the children can learn to unwrap them ready for Christmas at home and the week will involved a lot of singing and dancing whilst having lots of fun.

As always, if you have any questions or concerns, please do not hesitate to talk or email us.
