Sadie, Eve, Milo, Hugo, Lydia and Ollie

We are so happy to have you all join us!

HAPPY Birthday

Celebrating their Birthday
this half term is:

Sadie, Charlie and Hunter

Enjoy your special day!

CLASSROOM News - Hedgehogs

Hi everyone!

We would like to welcome back all our families and wish everyone a Happy New Year. I hope you all had a lovely Christmas. We are looking forward to welcoming all the children back and hearing about all the fun you have had in the Christmas break. Please could you upload on Tapestry any videos or pictures of what you have been up to, as the children love watching them and showing their friends.

As the weather outside is colder, please remember to pack gloves, hats, and other warm clothing that you may have (and please ensure that they are named). We would like to thank everyone for continuing to adhere to our policy for illnesses, we know it is always hard at this time of year with all the viruses going around. As always, if you have any questions, or if there are any changes to your child's day or needs, please don't hesitate to talk to us

Our theme in January will be Winter and Polar Animals. We will be exploring ice play with polar animals along with ice painting and adding in science into our play adding some ice to our warm water play and watching it melt along For sensory play, we will be working with cornflour gloop, shaving foam and plain flour as snow, which the children always love; we will also be building and making our own snowman using sticky back plastic and letting the children have fun sticking on what they would like. Our core songs for January will be 'Here We Go Round the Mulberry Bush' and 'Humpty Dumpty'. During group time, we will enjoy the song bag, heuristic play and new play resources.

In February, our theme will be Places and Spaces. We will enjoy activities such as large box play - hiding inside/under and on top. We will also be making a den and adding lights, cushions, and toys in for the children to be able to walk/crawl in and out of. We will also be posting shapes, numbers, little toys, etc. We will be visiting the park and taking walks into the woods to visit places around village. Our core songs will be 'Wind the Bobbin Up' and 'Roly Poly'.
