

# YOUR BEARS TEAM

## BECKS - CLASS manager

Becks has worked in child care and child protection for over ten years. Early Days is where she started her training and also the nursery she attended as a child! She is passionate about supporting children to become future problem-solvers and change-makers.

### Sabrina

Sabrina is a senior member of staff who has been a part of the Bears team since 2015. Sabrina is passionate about child-directed learning and supports the children to learn huge amounts by sharing in their discoveries and interests. She is also one of our Holiday Club supervisors.

### Sue

Sue has a wealth of experience and has been with Early Days since 2009. Sue fosters warm, nurturing relationships with all children within the Bears class and uses this to create activities that carefully take into account their abilities and potential.

Lucy has many years of experience working with both children in early years and primary school. She fosters a love of language in all the children in Bears through her teaching of songs and fantastic storytelling abilities. Lucy acts as the WellCom / Language Lead for the Bears team, supporting all our children to become effective communicators.

### Lucy

Dawn has been with Early Days since 2018 and is also part of our Breakfast Club team, ensuring all our children get a healthy, calm and positive start to their days here. Dawn supports children to develop their own understanding and ideas through excellent sustained shared thinking and thoughtful interactions.

### Dawn

### Nesta

Nesta supports the Bears children in developing their love for the outdoors and their knowledge of nature, woodwork, gardening and everything in between! The children are continually enriched by her knowledge in these areas and benefit hugely from the hands-on learning experiences she provides. Nesta is an experienced SEN teacher and has been with Early Days since 1997.

### Seb

Seb joined us in 2020 and is completing his training. Seb is great at creating crafts for the children to enjoy. He loves walking his dog Kayla, watching films and swimming.
